SERVICE AREAS

"I would like to wholeheartedly thank Emily and the team at Lazy River. I chose lazy river to host my Husbands funeral service and wake and I couldn't fault the service that was provided . From very attentive and responsive emails in the beginning, to being incredibly flexible in getting what I needed over the line, to round the clock care and support on the day . Not one thing was overlooked or too much trouble . They honestly took all the worry out of the darkest day and I felt so calm and in control . Thank you Em and the team . Highly recommend lazy river"

“As an events professional based in Sydney, I can whole heartedly say the team and standard of service from the LR team is exceptional. We hosted a celebration of life for my late uncle at Lazy River, and it was the perfect way to toast to his life and connect with family and friends.

Emily made the whole process so easy and effortless, she’s a brilliant communicator and so accommodating of our needs which was especially appreciated, given we were grieving. A delight to work with!

Brad, the head chef (that I learned was formerly of Veldt) provided a delicious spread for us, and the bar staff were brilliant.

Not to mention the setting of the Lazy River is beautiful. A very special place!

Needless to say we will be back and I highly recommend booking your next event or special occasion with the team there.

Thank you again!”
